

**Service of Process and Affidavit of Service  
On Ramsey County Commissioners  
Huffman, McGuire, Rettman, Carter, Ortega, Mc Donough and Reinhardt  
Date of Service Nov. 30, 2015**

**PRESS RELEASE**

This service of Process is to inform you about the on-going use of Ramsey County Computers and emails regarding employees registering on betting sites, arranging bets, announcing winnings and collecting winnings all during work hours at tax payer's expense. This conduct has been going on for years including the 2015 sports season and after a warning given out about computer use policy by the Department Director.

You will notice that Supervisors and the Superintendent of the Ramsey County Juvenile Detention Center (where offenders are held pending court dates for law violations) appear to have been participating in this inappropriate use of computer and conducting personal business during work hours and use of computers in violation of computer use policy, code of ethics leading into serious misconduct including staff collecting winnings at work.

**Charges**

Violation of Personal Rules 24.2

Violation of the Ramsey County Code of Ethics 9.00.

Violation of Ramsey County Computer Use Policy

Violation of Ramsey County's Workplace Conduct

We must ask if such violations have been going on with upper management approval at Boys Totem Town or countywide. Where teens are held accountable during court sentencing one must question the honor, truthfulness, integrity, honesty and propriety of management approval and/or ignoring such violations because doing so leads to a selective enforcement of policy upon others, which is again in violation of anti-discrimination policy.

Attached are copies of emails, participants, winnings and evidence of monies being collected during work hours abusing tax payer's expectations?

Anyone reading this that would like a copy of the emails contact Lucky Rosenbloom at 612.661.0923

**Submitted: 2015 AFSCME Union Member Lucky Rosenbloom**

AFSCME has not authorized this Notice. However, AFSCME has always been in the struggle for Civil Rights and equal treatment in the workplace as far back as working with Dr. Martin Luther King fight for equal rights for Sanitation workers when Dr. King was assassinated.
